

SAN JUAN NEWSLETTER

August 2021

Dear Pastor and Praying Friends,

Hope all is well with you and your loved ones. I was encouraged by Genesis 18:17. Although these days may seem bleak nothing is hid from us. Praise the Lord for the Bible! Jesus is coming soon!

Please pray for the Liang Family. Ruby and the kids use to join Bible study through online meetings, but Bob has had depression problems and recently has put a stop to all things relating to God. It's a sad situations for the family

Taiwan Covid-19 Lockdown

Taiwan was one of the safest place in the world, till two months ago. On May 26th 2021, Taiwan had a spike in Covid cases and we have been in lock down ever since. Covid cases has been better recently and God willing some time in August we will no longer be in lock down. It has been a nuisance to some, but a real difficult time for others. Mental health has been a big issue, many are in bondage of fear. Pray for Taiwan.

Pray for Eric and Janet. They have a baby on the way and are concerned of the Covid situation in Taiwan. Recently Eric has been more involved in our Bible studies. Pray also for another couple, John and his girlfriend Fiona, Fiona is not a believer, pray for her salvation. We have asked Osmond and Melody to help minister to both of these couples and they were both excited for the opportunity to serve God. Although times has been difficult we are amazed how God continues to work and we are ecstatic with what God is doing in Osmond and Melody's life. Thank you for praying!

PLEASE PRAY FOR TAIWAN THAT THEY MAY KNOW JESUS CHRIST AND THE POWER OF HIS RESURRECTION
